I walked past her in Hunter Square earlier today. Did you just ask her to pose for you? I don't think I'd be able to do that.

I just asked if she would pose but it's normally the last thing I would do :)

**knicci** (58 months ago)

Her name is Elaine and she is a friend. She usually asks for 2 quid for a photo and is happy to pose. She holds the world record for the most piercings (over 4000) on a female and is very proud of it. An amazing woman!

My brother went out with her daughter. Elaine is a really nice lady and amazing to look at in the flesh. Great photo.

Hi, I'm an admin for a group called [Elaine Davidson](#), and we'd love to have this added to the group!

**berthaxy** (34 months ago)

The world record has her down for 720 piercings

**runnih20** (32 months ago)

would hate for her to get too close to my refrigerator...the magnets would fly off and hit her!!!

**lthilienDude** (30 months ago)

HOLY JESUS!!!

That's a big-ass load of piercings!

**Samuel Connor** (28 months ago)

This woman is a regular at my local tesco... not the most sociable woman i've ever met!

**missionaryjaime** (28 months ago)

Sad. I feel bad for her. Psychiatrist, anyone?

**kylepirie** (26 months ago)

Thats intense! Wonder what she looks like without all the piercings . . Must look a bit odd.

**Dan Sievert** pro (19 months ago)

**missionaryjaime** Yeah, I can recommend you one... and he doesn't mind doing it missionary either.

I saw this lady last year on the Royal Mile, Edinburgh. All I can say is ouch!!! Great image

**zeta sub** (10 months ago)

Met her a few times in the past she is great fun

**cr0wgirl** (3 days ago)

I really appreciate that she has a very distinct aesthetic, all piercings aside. I'm kind of curious how much all that metal weighs.
